What makes Hope Café unique and sets it apart from other coffee houses in the area is our purpose. Hope Café was birthed by dedicated Christians who want to offer a gathering place where people can come to see, hear, feel, taste, and even smell the aroma and Spirit of God in different ways on every day of the week.

Hope Café is a living, breathing community of believers who through Christ want to offer Hope, Faith and Love. Hope Café is our "Front Porch" to the community in which we live, work and serve together as the Body of Christ.

Hope Café seeks to help unite the Body of Christ to make a difference in the community in which we live. We strive to help build the Kingdom of God instead of church buildings. We seek to help believers mature as disciples and friends of Christ. We are dedicated to providing local hands on missions and ministry opportunities for anyone who wants to help make this a better community of Hope, Faith and Love.

Hope Café is a non-profit Christian Café. All profits go back into the missions and ministries of this Christian endeavor.

See our webpage for hours, directions and our calendar for monthly events.
