The Solid Rock

```
E                   Bsus    B
My hope is built on nothing less
     A                B        E   Esus
Than Jesus' blood and righteousness
           B
I dare not trust the sweetest frame
    A              B               E
But wholly lean on Jesus' name

Chorus:
E                   A
On Christ the solid rock I stand
    E               Bsus    B
All other ground is sinking sand
    E               B       E           E/G# A2 E2 E/G# A2 E
All other ground is sinking sand

Verse 2:
E                       Bsus   B
When darkness veils his lovely face
  A               B       E    Esus
I rest on his unchanging grace
         B
In every high and stormy gale
   A            B                  E
My anchor holds within the veil

Verse 3:
E                       Bsus B
His oath, his covenant, his blood
   A               B        E    Esus
Supports me in the whelming flood
                B
When all around my soul gives way
   A              B        E
He then is all my hope and stay

Verse 4:
E                       Bsus    B
When He shall call with trumpet sound
   A             B      E    Esus
Oh may I then in him be found
                B
Dressed In his righteousness alone
     A               B        E
Faultless to stand before the throne
```
